## FAST CRUISER

The JPK 39 completes the range of JPK cruisers

Jacques Valer has designed an evolution of the JPK 38 which remains an acclaimed referenced by all of its owners. **All the qualities that made the JPK 38 FC a success are kept** while taking advantage of the **experience acquired** on other models designed **in recent years**.

Among the evolutions, the hull power has increased with more filled front sections, an inverted Sheer line modernizes the aesthetics and allows to gain volume inside, thus creating the possibility of a 3 cabins version.

- ♦ **Ultra fast and versatile** boat in all weather conditions
- ♦ Optimized construction with «safe» areas of effort for **total safety**
- ♦ Fixed keel or proven lifting keel by thousands of miles sailed around the world.
- ♦ **Optimal ergonomics** on deck with hardware dimensioned to facilitate reduced crew usage
- ♦ Bright and welcoming **accommodation** with comfort amenities
